Upcoming Events - Spring 2019

Women in STEM

(ENGLISH) Women in STEM

May 8, 2019 - 13:00 PM-14:00 PM (Eastern)

Grades 8-12, Social Studies/Humanities, Global Citizenship, ASPNet Schools Expert speakers, with first-hand experience in the difficulties women face, will share their stories and expertise on gender parity. They will discuss current events and share their thoughts on how we can all be gender inclusive. Join us, wearing the colour purple, as we listen to women, share how we can all #BalanceforBetter in gender equality across the world! This event will be focusing on SDG's : #5 Gender Equality and #10 Reduced Inequalities. *ASPNet Schools will be given priority registration*

(FRENCH) Women in STEM

8 Mai 2019 de 12h00 à 13h00 HNE

Grades 8-12, Social Studies/Humanities, Global Citizenship, ASPNet Schools Expert speakers, with first-hand experience in the difficulties women face, will share their stories and expertise on gender parity. They will discuss current events and share their thoughts on how we can all be gender inclusive. Join us, wearing the colour purple, as we listen to women, share how we can all #BalanceforBetter in gender equality across the world! This event will be focusing on SDG's : #5 Gender Equality and #10 Reduced Inequalities. *ASPNet Schools will be given priority registration*

CWF Presents: Water!

May 9, 2019 - 13:00 PM-13:00 PM (Eastern)

Join us and our Friends from the Canadian Wildlife Federation (CWF) as we take a closer look Canada's water systems! Our conversation will cover the types of water we have, what their role is in the natural world, and how all things are tied to water.

AVIKA: Residential Schools: Past, Present & Future Impacts

May 10, 2019 - 12:00 PM-13:00 PM (Eastern)

Grades 7-12, Indigenous Studies, Social Studies/Humanities This video conference will give students as well as teachers a better perspective on residential schools across North America. We will be exploring the cause and reasons for the creation of residential schools, the effects the schools have had on the lives of Indigenous peoples today. We will also examine the methods of healing and coping amongst these communities. This conference will be focusing on SDG #16 Peace, Justice and Strong Institutions.

Changements climatiques et connaissances environnementales traditionnelles

5 Juin 2019 de 11h00 à 12h00 HNE

Grâce à la compréhension et à l'intégration des connaissances traditionnelles, cette conférence examinera la nature complexe des changements climatiques et explorera les mesures pratiques et les mouvements auxquels les jeunes peuvent participer pour faire une différence. Cette conférence portera sur les SDG : #4 Éducation de qualité et #13 Action climatique.
